A SINGLE LOGIN & PASSWORD FOR YOUR INDIANA SERVICES

Access Indiana is a portal that allows citizens to use one login and one password (single sign-on) to access multiple services from the State of Indiana.

The login is a safe and secure way to easily sign-in to a variety of applications. There will be a growing catalog of services that use Access Indiana as the login.

Access Indiana is a streamlined and simplified way for citizens to interact with state government.

Additional information about personal data collection and usage

Your personal data

You are seeing this page because your institution's library services allow for personal account creation to support your research on the EBSCO platform. If you would like to use a personal account, please review the following and let us know if you consent.

Why we collect your data:

EBSCO uses the data we collect in our efforts to provide a robust, user-friendly research experience. This includes providing you with access to, managing, supporting, and improving upon our products and services.

The categories of data we collect are:

- Account Information, such as login credentials, email, or name, if shared by you or your institution.
- Saved items, such as checkouts and saved searches.
- Activity data, such as searches, retrievals, and links.
- Other data, such as affiliations and continuing education.

If you would like more specific information related to our data privacy practices, please read EBSCO's Privacy Policy.

Withdrawing your consent:

You may immediately withdraw your consent for the collection of your personalized data at any time, as described in EBSCO's Privacy Policy. If you do this, you will be unable to use a personalized account to access EBSCO's products. However, you will still be able to access EBSCO's products through your institution's account.

○ Yes. I consent to the collection of this personalized data which will allow EBSCO to provide me with a personal account. I understand the processing of my personal data is covered under my institution's contract with EBSCO. I acknowledge that EBSCO will collect and process my personal data including the categories and purposes of use for such data as described in EBSCO's Privacy policy and What information is collected and how it is used.

○ No. I do not consent to the collection of this personalized data. I understand that I can still access EBSCO's products without a personal account.
