

Indiana State Library—nearby parking

Free parking is available across the street from the Indiana State Library. The highlighted parking garage & surface parking lots are state of Indiana parking facilities. Be sure to bring your **parking voucher** in with you to the Indiana State Library so it can be validated at the registration desk.

The **parking garage** entrances are marked with a red **P** as well as for the **surface parking lot**. There are a few one ways so driving can be a little confusing.

Indiana State Library - the public entrance is off of Ohio Street where the red **A** is. A second entrance is at the red letter **B** off of N Senate Avenue. This entrance is typically locked but might be specially open for the DIY Conference. **The Difference is You Conference will be held in the historic side of the Indiana State Library off of the N Sente Avenue entrance.**

The Indiana State Library and the parking garage are handicapped accessible with elevators and ramps available. If you need assistance, be sure to let us know.

I hope you have a wonderful conference experience!
