Highlighted Databases

- **Teaching Books / Book Connections:** Developed and maintained to include thousands of resources about fiction and nonfiction books used in the K–12 environment, with every resource selected to encourage the integration of multimedia author and book materials into reading and library activities.
 - [Book Connections webinar](#) for public library staff
 - [TeachingBooks webinar](#) for school staff
- **Explora:** An interface designed for public and school libraries with a focus on the arts, literature, biography, business and careers, current events, geography and culture, health, history, math, science and more.
 - **Read It!:** Simplified research results for ELL.
- **Biography Reference Center:** This database offers a collection of full-text biographies and unique narrative biographies. The database includes coverage of several of the most popular and heavily-researched biographies and genres, including those contained within Biography Today and Biography (both dating back to the first issue published).
- **Points of View Reference Center:** Containing resources that present multiple sides of an issue, this database provides rich content that can help students assess and develop persuasive arguments and essays, better understand controversial issues and develop analytical thinking skills.
- **LearningExpress Library:** Organized into targeted learning centers, LearningExpress Library supports those looking to improve core academic skills, pass the GED, prepare for college, join the military, obtain occupational certification, find a job, change careers, become a U.S. citizen and much more.
- **Indiana Memory:** Indiana Memory is a collaborative effort to provide access to the wealth of primary sources in Indiana libraries, archives, museums and other cultural institutions. It is a gateway to Indiana's history and culture found in digitized books, manuscripts, photographs, newspapers, maps and other media.
- **EBSCO eBook Collection:** A collection of over 60,000 multi-disciplinary books. Topics include college and career development, health and medicine and business and economics.
 - [eBooks User Guide](#), including instructions for downloading to mobile device.
