

A young woman with long dark hair, wearing a light blue denim jacket over a light purple top, is smiling and looking down at a laptop. She has her hand resting on her chin. The background is a blurred library or study area with bookshelves and a potted plant.

**Get the Best Out of
LearningExpress Library!**

**Indiana INSPIRE
The Difference Is You
Conference**

AGENDA & OBJECTIVES

1. Review the user interface; access & navigation
2. Showcase new content
3. Demonstrate key resources; practice tests, tutorials, microlessons, eBooks, job tools
4. Locate direct linking & MARC instructions
5. Access Promotional materials & Support

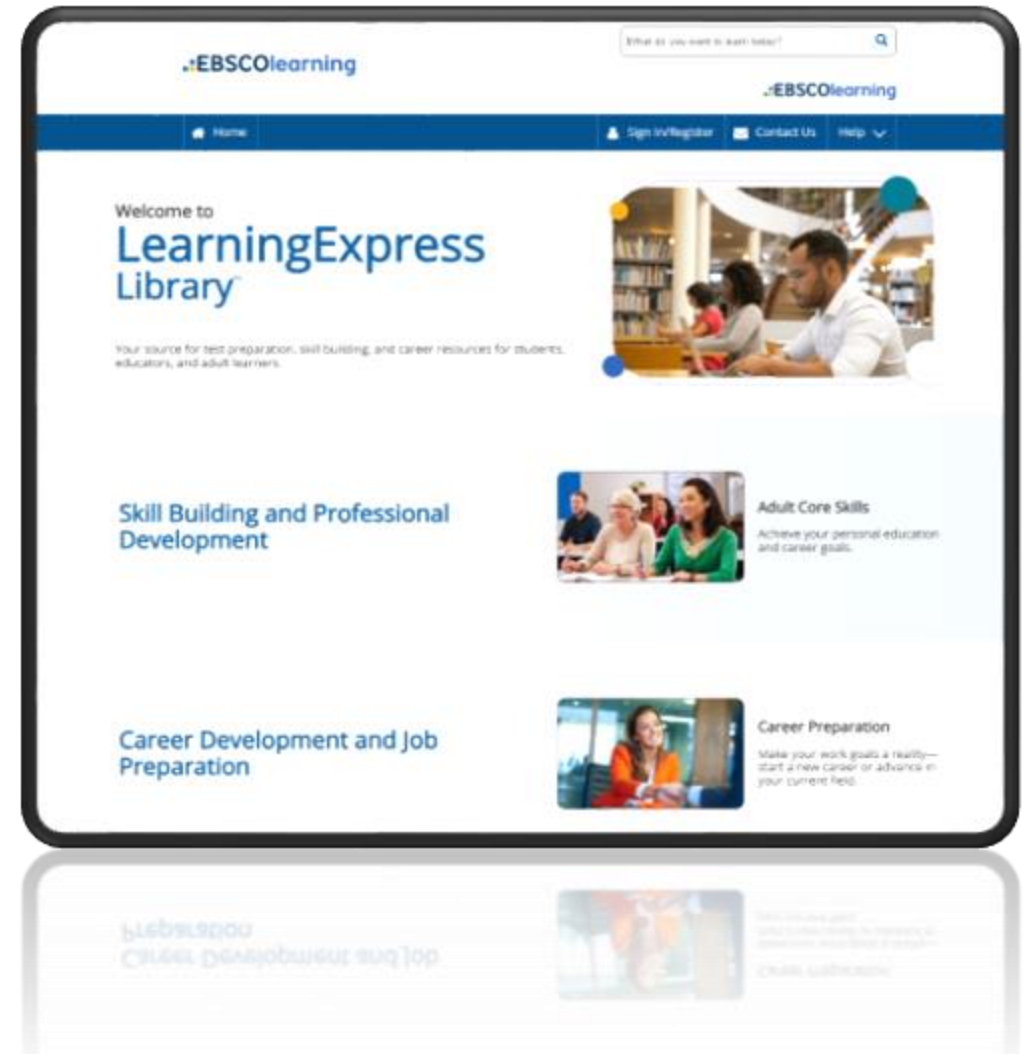

By the end of this session, you will be able to...

- ✓ Direct patrons to new content and key resources
- ✓ Locate promotional tools and helpful resources at EBSCO Connect

LearningExpress Library Content Updates: August 2025

AI Basics: What You Really Need to Know

Breaks down AI in simple terms — no tech background required. Learners explore how AI shows up in everyday life, understand how it works, and learn how to use it responsibly and effectively.

Learners will gain the skills to:

- Recognize AI in the tools they already use
- Understand the difference between real and hype
- Ask better questions and use AI tools with confidence
- Think critically about AI's benefits, risks, and ethics

LearningExpress Library Content Updates: August 2025
